

Texas Women's Healthcare Coalition

Healthy Texas Women (HTW)

What is Healthy Texas Women (HTW)?

Healthy Texas Women (HTW) is a Medicaid waiver, limited-benefit program that serves as a health care safety net for Texas women aged 15-44.

Services covered include:

- Birth control
- Cancer screenings
- Chronic disease testing & treatment

Vital healthcare source for under-resourced Texans:

- Approximately 375,000- 475,000 women enrolled annually
- Provided by 3,000 healthcare providers

Program growth:

- Serves 190,000 women in 2022 (4.4% increase from FY 2020)
- An additional 98,000 women were moved into the program as of February 2024 after the unwinding

Program Funding:

- \$283,847,109 in Federal and State Funding was invested into the program for FY 24- FY 25

Program challenges:

- Long & arduous application forms
- Delayed application processing times
